Dear Mr. Januska,

Referring to your inquiry dated 17th July 2026 we would like to inform you that our adhesives

EUKALIN 6455 VL 150
EUKALIN 6184 VL 400
EUKALIN 703 BR C
EUKALIN 6412 VL 240
EUKALIN 8256 GL 18
EUKALIN 6560 VL 100
EUKALIN 2570
EUKALIN 7238 VD C
EUKALIN 9802
EUKALIN 6462 VL
EUKALIN 6182 BE
EUKALIN 1950
EUKALIN 5183 L
EUKALIN 2597
EUKALIN 6620 VL 400
EUKALIN 6271 VL

comply with the following aspects of Regulation (EU) 2025/40 (PPWR) that generally apply to adhesives:

The mentioned adhesives do not contain the following substances as part of recipe:

- PFAS

The following concentration limits are complied with:

a) 25 ppb for any PFAS as measured with targeted PFAS analysis (polymeric PFAS excluded from quantification)

b) 250 ppb for the sum of PFAS measured as the sum of targeted PFAS analysis, where applicable with prior degradation of precursors (polymeric PFAS excluded from quantification)

c) 50 ppm for PFAS (including polymeric PFAS).

The total fluorine content (TOF) does not exceed the limit of 50 ppm.

The listed substances are used neither as ingredients nor as additives. For this reason, the product was not analyzed with a view to these substances. Due to our knowledge about the composition of the ingredients and the production process, we can however assume with the utmost probability that the mentioned substances are not contained in the product - except from ubiquitous traces which are found everywhere on the earth's surface.

The total amount of heavy metals concentration in accordance with the EU regulation for packaging, 94/62/EC (CR-13695-1), lead, mercury, cadmium and chromium (VI) is < 100 ppm.

PFAS, Heavy metals and fluorine compounds are generally not used in our supply chain. We have corresponding confirmations regarding compliance with concentration limits for the raw materials used. For this reason, we do not conduct any additional analyses with our adhesives.

We hope that our information will be useful. In case of any further question please do not hesitate to get in contact with us.

Best regards,

Regulatory Affairs

EUKALIN
