Amber Preprint 80 gsm

Amber Preprint is a high white, technically advanced, uncoated paper, developed for direct mail, invoices, letterheads and advertising material. Amber Preprint works perfectly in digital presses and is also guaranteed to work in laser printers, even after offset litho printing. The paper complies with the requirements of DIN 6723-1 and 6724-1 standards which means it is guaranteed to work on equipment with optical character recognition (OCR). Amber Preprint is available as FSC® – The mark of responsible forestry. www.fsc.org. FSC® C012880 and PEFC™ PEFC/01-31-126 certified.
