Sheets:	A4, A3, A3+
Plotter roll sizes:	24, 36, 42, 44, 50, 54, 60” x 30 m
Standard jumbo roll length:	6 000 m
Commercial inkjet	
Sample roll size	

Additional sizes and dimensions upon request.

Best printing results achieved in a standard climate of 23°C and 50% relative humidity. For problem-free running, always store the product in original packaging and protect it from direct sunlight and moisture. Before using our medium, check its suitability on your printer and for your planned application. We can assume no liability resulting from technical changes in printers and/or inks. Changes in the product design due to technical further developments will not be announced in advance.
