Título

Certificate PFAS

We hereby certify that in the production of our Klabin Papers and Boards which are sold both in Brazil and in overseas markets, the following substance or chemicals based on this substance are not used or intentionally incorporated as constituents, additives or processing aids:

Per- and Polyfluoroalkyl Substances (PFAS)

As a consequence it may reasonably be expected that this substance is not present in our board.

January, 2026

Allan F. Horchulhak
