WallStar Digital Wallcover

Matt 147 Laser

MA8303D – 147g Eco

Technical Data Sheet

High quality uncoated smooth nonwoven for digital printing

Surface aspect:
Matt

Printer benefits
- High dimensional stability
- Good opacity
- Low formaldehyde
- Excellent printability

Printing process:
Laserjet (Xeikon)

End-user benefits
- PVC-free and eco-friendly
- Luxurious, textile-like touch
- 100% paste-the-wall and strippable
- Made using recycled fibres.

Physical properties		
Grammage	147	g/m^2
Thickness	243	µm
Dry Tensile Strength MD	7850	N/m
Dry Tensile Strength CD	4350	*N/m*
Elongation MD	6	%
Elongation CD	12	%
Ratio Wet/Dry	32	%
Brightness	87	%
Opacity	94	%
Wet Stability CD (Maxi)	0.40	%
Side to be printed	Bottom
